# Asset Valuations

## We are DDP

---

DDP is the leading, independent provider of movable and immovable asset valuations in Southern Africa and offers comprehensive reporting and consulting services within the residential, retail, commercial, agricultural and municipal property industries. With over seven million properties collectively valued to date and

experience gained through our billion rand portfolio, we have an asset valuation team with experience across a broad range of industries and categories. We are committed to quality and try to maximise the value we offer our clients by delivering accurate information through our detailed approach.

## We are the Experts

---

The DDP valuation team comprises valuers with broad-based experience across a variety of asset categories. Whether you require asset valuation services around a large scale industrial operation or the compilation of a simple asset register for your office, our experience in valuations according to

international standards will ensure an asset valuation that is perfectly tailored to your exact requirements. Our commitment to exceptional service means our teams will always strive to offer sound and relevant professional advice to you in your decision-making quest around the valued assets.
