

Commercial Valuations

We are DDP

DDP is the leading, independent provider of movable and immovable asset valuations in South Africa and offers comprehensive reporting and consulting services within the residential, retail, commercial, agricultural and municipal property industries. With over ten million properties collectively valued to date and experience gained through our billion rand portfolio, we have an expert team ready to

assist you with valuations within the commercial property industry. We continuously aim to deliver exceptional value and efficiencies to our clients by maximising our experience in the commercial sector through our commitment to quality. We have a complete service offering that remains motivated by client satisfaction and delivers accurate information through our detailed approach.

We are the Valuation Experts

The DDP commercial valuation team comprises Valuers who are experienced in every aspect of the commercial property sector. This extensive range of valuation experience and a commitment to being the leading commercial valuation solutions provider in Southern Africa inspires DDP to improve on the value and efficiencies we offer our clients, from international corporations, listed property and corporate funds, to insurers and major financial institutions. With a national footprint and services extending into neighbouring countries, DDP ensures broad-based insight into the fixed and movable asset valuation industry.

- Valuers registered with the South African Council for the Property Valuers Profession (SACPVP).
- Recognition by the South African Courts of Law as expert interpreters of the property market.
- Valuers registered with the Royal Institution of Chartered Surveyors (RICS). Listed portfolio compliance with FTSE 100, JSE and IPD* requirements.
